

## GAMBIT APPEARANCE MASTER LIST

The following list is compiled by lediableblanc.com / remylebeau.com. It features all the comics that the character Gambit, from the X-Men, has appeared in.

For more information and the cover images of the comics please visit the site's "Appearance Database" where this information can be found.

This list is updated on a regular basis and posted on the main site. For the newest list check with the site.

If you would like to post this on your site you are more than welcome, just **DO NOT** edit the file yourself. All of these appearances are verified. If a comic has not been verified it is not on the list yet. Please email me at [remylebeau@yahoo.com](mailto:remylebeau@yahoo.com) to report a comic not seen on the list and I will add it to my check list to be verified and added.
